Guys - why are Colleen and Everett calling the reporter? What is the plan, the message? Has HQ signed off on this?

Jim

I am guessing we have not seen the end of this. I am not sure who is in today but of those who are, could we meet at 10:00?

It would be helpful to have some materials to remind me of the issues, whatever we pulled together for the interview Callie was going to give the reporter, etc.

Maybe also to thru scheduling a visit with the tribes.

Thanks

Jim
